Our society is still open to new Members for 2010, why not ask a friend to join us at Cobbett's Wey DFAS to enjoy our talks and visits throughout the year.

April 28th - The Cistercians & Their English Abbeys

The impact of the new order of the Cistercians in Europe in the 12th Century was astonishing. The lecture will explain the architecture of the Cistercian Abbey and how each sector was designed for the daily and nightly routine of the monks. There will be references to Waverley Abbey.

Lecture by Geoffrey Toms

24th March 2010 — Journey Across the Himalayas

The last lecture focused on the Buddhist area of the Himalayas, the once spiritual domain of Tibetan culture and religion. An important centre of Buddhist art and culture, housing vast repositories of sacred art in remote monasteries and temples. *Lecture by Zara Fleming*
