June 24 — Textiles of the Silk Route

The Silk Route stretched from the western edge of China, through Central Asia, Syria and Turkey to the great trading cities of Europe. The most visible of the products carried were the textiles. The lecture will cover the history, people and cities along the route.

Lecture by Roderick Taylor

Last Lecture — 27th May 2009

Antoni Gaudi and the Golden Age of Catalan Architecture

Gaudi's unique buildings in Barcelona, including the Casa Battló, Parque Güell and Sagrada Familia cathedral, reflected a life-long concern for the fundamental integration of structure and form. They were set in the context of a burgeoning Catalan culture.
