

October 22nd - The Scottish Colourists: Style and Sophistication from the Jazz Age

This exciting group of artists includes Peplow, Cadell, Fergusson and Hunter. The lecture explores their landscapes, portraits and still-lives, paying particular attention to the vibrant sensual colour, expressive brushwork and stunning sense of rhythm and design.

Lecture by Vivien Hefferman

Last Lecture September 24th

The lecture explores the rise, fall and rise again of Lutyens' reputation and the evidence for his genius. It follows his career including the famous partnership with Gertrude Jekyll.

Lecture by Clyde Binfield
